

Andrew Scheps, Jake Gosling, James Auwarter, and Other A-Listers at IMSTA FESTA London 2024

TORONTO — April 2, 2024 — IMSTA announced today that IMSTA FESTA will return to the SAE Institute London on June 1 for another day of fun, learning, and networking for musicians.

A celebration of music technology, IMSTA FESTA London 2024 will bring together the music-making community and music technology companies for one-on-one product demonstrations, music industry panels, master classes, song reviews, prizes, and more.

IMSTA has invited A-list producers, engineers, and songwriters to deliver keynote presentations and master classes. They include Grammy-winning mix engineer and record producer Andrew Scheps, Grammy- and Brit-nominated songwriter and producer Jake Gosling, Grammy-winning mix engineer James Auwarter, award-winning songwriter Jonny Amos, and others.

All music creators are welcome, including professional and semiprofessional musicians, songwriters, producers, and audio engineers, as well as music students and educators. Exhibiting companies will offer plenty of raffles and giveaways, and admission is free with registration.

A complete list of classes and registration are available at IMSTA.org/2024_london.php.

IMSTA FESTA London 2024 sponsors include:

- SAE Institute London (sponsor and co-host)
- Plugin Boutique (exclusive retail sponsor)
- PRS for Music (community sponsor)
- Sound on Sound Magazine (media sponsor and exclusive magazine partner)
- Gearspace.com (media sponsor)
