

## IMSTA Press Release

**FOR IMMEDIATE RELEASE**

**September 5, 2022**

### **IMSTA Announces IMSTA FESTA New York + Online**

Toronto, Ontario, Canada—August 2022... Attention New York Tri-State music makers: IMSTA FESTA will return to SAE Institute-New York on October 1, 2022, for an in-person day of fun, learning, and networking. If you are outside of the New York Tri-State area or cannot make the in-person event, you may join us online.

A celebration of music technology, IMSTA FESTA brings music creators and music-technology companies together for one-on-one product demonstrations, industry panels, masterclasses, song reviews, and more. This annual event offer something for all musicians, songwriters, producers, audio engineers, music students, and educators.

There will also be plenty of raffles and other giveaways offered by exhibiting companies. Attendance is FREE with registration: [www.imsta.org](http://www.imsta.org).

#### **About the International Music Software Trade Association (IMSTA)**

IMSTA is a non-profit association which represents the interests of the music software industry, primarily by educating music software users about the negative effects of software piracy. IMSTA member companies include music software manufacturers, distributors, and retailers, as well as industry media, educational institutions, and other organizations.
